**Official exam notification: EEX trader exam****Leipzig, 2019-10-22**

The European Energy Exchange board of examiners has come to the following decision on October 22, 2019:

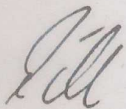

Mrs. Antoaneta Emanuilova, born on 15.07.1979, took the EEX trader exam in Sofia on 17.10.2019. Based on the achieved result the examination has been valuated as passed.

We would like to point out that trading on EEX's spot and derivatives market is only possible after the European Energy Exchange has admitted you as an exchange trader of an exchange participant. Please note that you have to provide this notification to EEX for the admission as an exchange trader, therefore please keep this letter well.

If you have any questions regarding the admission process, please contact our admission department on +49 341 2156-261.

Best regards,

EEX Board of Examiners

Ekkehard Will  
(chairman of the examination board)
